

House File 2473

S-5206

1 Amend the amendment, S-5196, to House File 2473,
2 as amended, passed, and reprinted by the House, as
3 follows:

4 1. Page 5, after line 12 by inserting:
5 <Sec. _____. Section 421.17, subsection 27, paragraph
6 c, Code 2014, is amended to read as follows:

7 c. The director shall establish a formal debt
8 collection policy for use by state agencies and
9 local government entities which have not established
10 their own policy. Other state agencies and local
11 government entities may use the collection facilities
12 of the department pursuant to formal agreement with
13 the department. The agreement shall provide that
14 the information provided to the department shall be
15 sufficient to establish the obligation in a court of
16 law and to render it as a legal judgment on behalf
17 of the state or the local government agency. After
18 transferring the file to the department for collection,
19 an individual state agency or the local government
20 agency shall terminate all collection procedures and
21 be available to provide assistance to the department.
22 Upon receipt of the file, the department shall assume
23 all liability for its actions without recourse to
24 the agency or the local government agency, and shall
25 comply with all applicable state and federal laws
26 governing collection of the debt. The department
27 may use a participating agency's or local government
28 agency's statutory collection authority to collect the
29 participating agency's delinquent accounts, charges,
30 fees, loans, taxes, or other indebtedness owed to or
31 being collected by the state. The department has
32 the powers granted in this section regarding setoff
33 from income tax refunds or other accounts payable by
34 the state for any of the obligations transferred by
35 state agencies or local government agencies, except
36 obligations originating from and associated with fines
37 imposed pursuant to the use of an automated traffic law
38 enforcement system. For purposes of this paragraph,
39 "automated traffic law enforcement system" means a
40 device with one or more sensors working in conjunction
41 with an official traffic control signal or device or
42 speed-measuring device to produce recorded images of
43 vehicles being operated in violation of traffic laws.>

44 2. By renumbering as necessary.
